## Unique Opportunities

Students create and contribute to assemblies and events such as Hispanic Heritage Month and International Day

During their junior year, our students participate in National Language Exams, many students have won medals, awards, and honorable mentions

Also during their junior year, students have the opportunity to be inducted into either the National French, Latin, or Spanish Honor Society. As part of their membership, they tutor younger students and serve communities in need

In the past, our Department has sponsored trips abroad. Although open to all Holy Cross Students, these adventures allow our students to apply their language skills in a new way
