This will coincide with the opening of a new middle school in NW Rochester which is currently under construction. Sixth and seventh grade students who are enrolled at Friedell during the 2021-22 school year will complete their middle school experience at their neighborhood middle school.

Do you have a sibling that will attend a District-Wide School during the 21-22 school year? If yes, please complete this row.	Sibling Name	School Sibling will attend in 20-21	20-21 Grade Level of sibling

If sibling(s) are attending one of the District-Wide Schools in the 21-22 school year, please provide the student name along with the school attending. This will indicate your eligibility for sibling preference. Siblings must be in the same building, the same qualifying year to be considered for sibling preference. (Cousins do not qualify as siblings.) i.e. If you have an outgoing 5th/8th grade in 21-22 (going on to high school), your incoming K/6th grader would not qualify for sibling preference. Sibling applications must be in by midnight January 17th, to be included in the first drawing. Siblings applying after January 17th, will go into the lottery pool until space becomes available.
