RE: *Athletic travel and participation in tournaments*

The following is implemented to mitigate community spread of COVID-19 in the PENNCREST community and our schools. Effectively immediately and through the end of the 20-21 school year.

Student Travel

With the exception of PIAA athletic competitions, student travel continues to be suspended.

Any athletic team that plans to travel outside of District X must submit a request to the Superintendent for School Board approval.

Tournaments

PENNCREST schools are *not permitted* to host tournaments or multi-team events or competitions.

Any athletic team that plans to participate in a non-PIAA championship tournament must submit a request to the Superintendent for School Board approval. This includes events inside or outside of District X.

The Board of School Directors will approve participation on a case-by-case basis.
