

## **Business/Non-Instructional Operations**

### **Transportation**

#### **General**

The Board of Education shall provide for the public schools an appropriate transportation system, within guidelines set forth in this policy, which will enable all qualified children of school age to be transported to schools as required. School bus transportation is for the benefit of students only. The Superintendent of Schools shall be responsible for the school transportation system and shall develop and administer it to:

1. Provide maximum safety of students.
2. Supplement and reinforce desirable student behavior patterns.
3. Assist handicapped students appropriately.
4. Enrich the instructional program through carefully planned field trips recommended by staff.

The transportation system shall be planned and operated in compliance with the General Statutes of the State of Connecticut and all regulations of the State Department of Education and the State Department of Motor vehicles regarding the operation of school buses and motor vehicles.

Transportation by private carrier or through district owned buses shall be provided at the discretion of the Board of Education. Parents may be reimbursed for transportation of eligible students whenever such practice is more economical or convenient.

#### **Federal Compliance**

Transportation will be provided for homeless students to and from the school of origin as required by the Every Student Succeeds Act. These services shall be provided throughout the regularly scheduled school year and day as determined by the Board.

Transportation will be provided for an eligible student who attends a district school out of the student's attendance area because his/her home school has been identified as in need of improvement, or the student is a victim of a violent criminal offense occurring in or on the grounds of the school the student attends, or the student attends a school identified as persistently dangerous.

**Duties of the Superintendent**

It shall be the responsibility of the Superintendent of Schools or designee to manage and supervise the school transportation service and, in connection therewith, to do the following:

- 1. Determine eligibility for school transportation in accordance with these guidelines and
  - a. Section 10-186 of the General Statutes and in compliance with applicable portions of the
  - b. Every Student Succeeds Act pertaining to homeless students and school choice.
- 2. Establish school transportation routes and designate locations for pick-up points (bus stops). The Superintendent shall direct the establishment of bus routes to provide the safest, shortest routes as economically as possible. Routes shall equalize, as nearly as possible, the length of routes and bus loads as close to bus capacity as possible and shall provide student transportation to and from schools within prescribed time limits. Generally, bus routes shall begin no earlier than 60 minutes before school opens, and students shall not be in transit from school more than 60 minutes.
- 3. Develop, circulate and enforce codes of behavior for those children who are transported to and from school via school transportation.
- 4. Develop procedures for responding to requests pertaining to matters of school transportation or other school accommodations.
- 5. Give due consideration to requests for extension of school transportation service.
- 6. Perform all other duties and responsibilities related to the furnishing of school accommodations by school transportation or otherwise in a manner consistent with Section 10-186 of the Connecticut General Statutes or these guidelines.
