Original Works

Take advantage of our annual fundraiser to order keepsakes and gifts showcasing your child's unique artwork! Available products include: magnets, notecards, mugs, ornaments, face masks, dog tags and decal stickers. All orders will be shipped directly home.

For families participating in virtual learning, scan your child's art work at home and upload directly to the Original Works website. The recommended deadline for orders from scanned artwork is **November 30** in order to ensure delivery prior to the holiday break. Complete instructions are posted on the PTO

website: <https://sites.google.com/site/jaindlelementaryschoolpto/home>

For families participating in hybrid learning, artwork has arrived at Original Works and is currently being uploaded! Complete ordering instructions will follow as soon as uploads are complete in the next week. Artwork will be available for viewing on the Original Works website at that time. The deadline for orders to be placed for delivery prior to the holiday break is **December 4**.

If you do not receive instructions for your hybrid student by November 20, your child may have been absent when this activity was completed or your child may not have completed an art piece. If you have any questions about this or would like to find out if artwork was submitted from your child, please do not hesitate to email Katie Frank at katiefrank6811@gmail.com. All families are welcome to upload an art piece at home and use our virtual learning code (JA12) to order! See our instructions for virtual families on our website (link above) for more information.

Many thanks to Mrs. Coval for her continued assistance!
