

Monroe Elementary PTA Membership

Welcome Mustang parents/guardians to another awesome school year. Are you looking for a way to get involved and be a part of your students school community? Then look no further. The PTA is a wonderful way to help out and give our school your support.

What PTA does for your student:

Membership is the first way you can help! Our PTA receives a portion of your membership which helps our budget to be able to provide things, such as listed above. Remember, **anyone** can be a member of our PTA, grandparents, aunts, uncles, family friends, ect.

The PTA holds monthly meetings throughout the school year. Day and time will be communicated at the start of the school year. Meeting attendance is not necessary to be a member, but is encouraged.
