

The logo for "Random Acts of Kindness" is displayed on a solid orange rectangular background. The words "RANDOM ACTS OF" are stacked vertically on the left side in a white, sans-serif font. To the right of this stack, the word "KINDNESS" is written in a much larger, white, rounded, sans-serif font, with the letters being thick and slightly irregular in shape.

RANDOM ACTS OF KINDNESS

Our school is participating in “Random Acts of Kindness”. Each student can write what they did at home or at school on a color-coded paper each month. There will be a box in the foyer area by the TV to put filled out papers. Student Council will make the paper into chains and put them down the hallways thru the year.

Once a week, some of the acts of kindness will be read over the morning announcements. We can’t wait to see all the acts of kindness our Fremont Falcons are doing at home, in the community and at school. If you have any questions, contact Mrs. Coombs.
