PLEASE HELP STOCK THE SHELVES

at contactless Food Drive this Sat. Nov 14th 9-1pm

St. Matthew Church parking lot, One Notre Dame Ave. SM

Serra students have been helping SVdP deliver groceries to the homes of local families. Requests for food have doubled with the small pantry now supporting 40 families each week. SVdP provides families with a bag of shelf-stable groceries and frozen meat, bread and dessert. Each family is also given \$25-\$50 in Safeway gift cards, depending on supplies. Families can receive food assistance once a month.

Pandemic demands have made food support from Second Harvest less abundant and sporadic. Our pantry consistently runs low or out of staples. As we prepare for Thanksgiving, please help us stock the shelves.

THANK YOU for making THANKSGIVING plentiful for all!

Food Items Requested
