

# FREE Meal Kits for All Students

School meals will be free to students (PreK-Grade 12+) until the end of the school year through continued government funding.

Meal kits will be available to all students who are distance learning. Each kit contains 5 breakfasts and 5 lunches for each student.

The Meal Kits are full of student favorites with a combination of ready-to-eat foods and frozen items to bake at home.

**Order your meal kit each week:**
