BACK TO SCHOOL

It has been wonderful to welcome students back to Millfield for the Autumn term. Many new scholars have begun their studies and we're excited to share their journey with you as they progress through the school.

Championing young people and giving them the opportunity of a Millfield education, whatever their financial circumstance, was the cornerstone of Boss Meyer's philosophy. Today this is more important than ever.

We have launched an exciting new campaign with [#TOGETHERBAND](#), called [Millfield Transform a life x #TOGETHER FUND](#). As well as raising money to go towards bursaries for Millfield students, we will help raise vital funding to deliver the UN Global Goals.

[#TOGETHERBAND](#) was set up by OM Cameron Saul (1989-95; MPS/1995-2000; Day) and has a prestigious group of Global Ambassadors. A number of high profile OMs are getting involved as well as students throughout the school. To find out more click [here](#).

To show how valuable your continued support is, here are five recent leavers who have all benefitted from scholarship opportunities at Millfield. Thank you for donating and please stay in touch.
