Davis HS Families,

Due to rising positive COVID-19 case numbers Davis HS is moving to a soft closure until Monday, November 30. Please read attached letter ([Soft Closure Letter w-letterhead \(11-11-2020\).pdf](#)). The Jostens company will reschedule their planned day to collect cap and gown order for seniors to December. We will miss seeing our students every day for the next couple of weeks, but we really need everyone to support the guidelines from the Health Department and the CDC so we can get students back to in-person learning. I ask that you make this your first priority.

Thank you,

Gregory Wilkey

Principal
