

# Kingfisher Class Newsletter

13<sup>th</sup> November 2020

The Kingfisher Class have had a very busy Autumn term already. Here is what we have been up to.

In English we have been reading a book called Pattan's Pumpkin, an Indian flood story. The children really enjoyed retelling and rewriting their own Pattan's Pumpkin stories. They have amazed me with their beautiful handwriting and their stamina for writing, they wrote pages!

Our History lessons have taken us back to the year of 1605 when Guy Fawkes and a group of plotters planned to blow up the houses of parliament. We started this topic by being historians looking closely at photographic artefacts of how bonfire night celebrations have changed since our Grandparents were young. We talked about the making of Guys and then linked this to the Gunpowder Plot. The children were fascinated by the plot and enjoyed looking at artefacts and organising events on the timeline to support their learning of this historic event that took place in London.

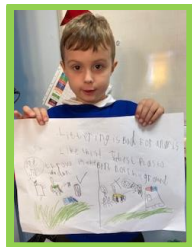

## We Will Remember!

We have been learning all about why we commemorate Remembrance Day. We have learnt about the sacrifices made by the brave young soldiers who risked and gave their lives to the war. In art the children have created beautiful, individual poppy field collages and have taken part in creating the large poppy displayed at the front of the

This week the children are very proud of their posters. Our message is to STOP littering as litter can be dangerous to animals.

A total of **123** house points have been earned for home reading this week  
Well done  
Kingfisher Class!  
Keep it up!
