Academy Update

As you will see from the photos below our pupils have shown great maturity this week in the Remembrance Day activities they have taken part in. It makes us very proud of our academy community.

In order to continue to keep our pupils and staff safe can we please remind parents that it is not appropriate to smoke (including e-cigarettes) in any part of the academy or near the gates at drop off and collection time.

We would also like to remind the very small minority of parents who are verbally abusive to our staff that this will not be tolerated and will be escalated to the appropriate authorities.

Remembrance Day

The children have managed to find lots of ways to commemorate Remembrance Day and were all very respectful and dignified during the 2 minutes silence on Wednesday at 11.00am. We were very proud of all of them.
