A note from the principal:

What a marvelous week!

I cannot believe the time is already here when we have only just begun. If you have a future 2021/2022 Kindergarten sibling, we will send our Kinder Interest form out to families next week. This helps us ensure we have space for all of our current families' students.

Veterans Day is also approaching. We will have a more personal event this year in which our Veterans will visit a classroom or two and get to tell *their* story to our students. We will send information home next week to families.

Lastly, [HERE](#) is a unique resource including many fun opportunities for our families.
