

Family Communication

November 16th, 2020

Families, I want to thank you for your continued support of your children as we continue to partner together in this new learning environment. We are constantly monitoring and tweaking our delivery method to try and best meet each of your children's learning styles and needs. In an effort to ensure that we, as an educational community, are working together to continually improve, I am asking you to email me any ideas that you may have that could possibly improve the experience for all. Please email me at ims@ioniaschools.org.
