

## Grandpersons,

Enjoy creating a **TIME CAPSULE** with the special children in your life!

- What is your favorite book from the PAST year?
- What are you reading NOW?
- What is your favorite book to read together?
- What is your best memory of 2020 so far?
- What will you read in the FUTURE?
- Draw a picture of you and your GRANDperson in a time machine!

Include the answers to these questions with some other fun items in a recycled cylindrical container to open and enjoy reminiscing sometime in the FUTURE!
