

## Transition to Distance and Blended Learning:

When GISNY is required to close the building, learning and classes will still commence. This is our overview of how the transition from learning in-person to distance and blended learning will occur.

### Grades 5 to 12:

For students in grades 5 to 12 they will continue to follow their current daily schedule. Students will meet with their teachers during their assigned periods via Microsoft Teams. Students should be prepared for class by ensuring they have a device, Wi-Fi, and access to their school accounts. Upper class-men should review the Remote Learning Etiquette form.

### Grades Pre-K to 4:

We will begin with a gradual transition into our Blended Learning Plan for Pre-K to 4<sup>th</sup>. For Pre-K and ES, week one classes will be from 9:00am to 11:00am. Then, week two will be the full schedule with classes from 9:00am to 1:00pm. For grades 1<sup>st</sup> to 4<sup>th</sup>, week one will be a short-ened schedule with classes from 8:00am to 10:30am. Week two will be our full class schedule from 8:00am to 2:00pm. Teachers will share their detailed class schedules with students and families via their learning platform.

Below are examples of the Blended Learning Plan schedules for the first and second weeks. Again, the exact, detailed schedule will be shared by the homeroom teacher via their online means of communication.
