

What is a School-Parent Compact?

- "Compact" is another word for "contract" or "agreement". The Glenmore Elementary Parent-School Compact is an agreement between parents, students, and the school (teachers and staff).
- The purpose of the School-Parent Compact is to foster student achievement. By signing the School-Parent Compact, Glenmore Elementary teachers, staff, parents, and students agree to work together to share the responsibility of helping students meet or exceed state, district, and school academic goals.

Jointly Developed

- Parents, students, teachers and staff developed this School-Parent Compact through input collected at Title I meetings, school-wide surveys, in-person comments, and discussion sessions.
- The School-Parent Compact is updated every year to include parent, student, teacher, and staff input. Parent, student, teacher, and staff comments are welcome at any time during the year.

Educators, Students, Families- Working together for Success!

The families, students, and educators of Glenmore Elementary meet yearly to discuss student-learning needs based on current grade-level data. Our School-Parent Compact for Achievement is revised based on these discussions. Teachers suggest home learning strategies, parents add ideas, and students identify ways to support their learning goals.

Families and students are welcome to contribute comments at any time.
