

November 13, 2020

Quarter 2 Begins Monday, November 16

Students will attend their Quarter 2 classes for Periods 1, 2, 3. [Here is a video](#) that explains how to find your Quarter 2 classes in Skyward.

Sunrise Honors our Veterans - Wall of Heroes

We would love to honor the family members of Sunrise students who have served or are currently serving in the U.S. military by adding them to our Wall of Heroes. Send your photos to Rachael Markuson: rachael.markuson@isd624.org

Learning Tips for Families

1) Thoroughly check grades on Skyward

- Schedule this weekly with your student.

2) Ask your student for a tour of their Google Classroom: [Google Classroom \(How To\)](#)

- Ask students about the assigned videos and slideshows. Many students are skipping this work on their at home learning days.
- Schedule two evenings a week to review Google Classroom with your student.
- Have your student show you the completed work. Some students are “turning in” incomplete or blank work.

3) Fridays:

- Students can schedule Google Meets appointments with their teachers to check-in, ask questions and get support. Simply email the teacher to make an appointment.
- Students should also complete work and tests/quizzes that are assigned.

4) Learning Space Check:

- Does your student have a learning space with limited distractions (ex: tv is turned off, only academic tabs open on chromebook)?
- Can you put your student's cell phone in a separate space to decrease distractions (they can use their phone in between classes + lunch)?
- Does your student have easy access to paper, pens/pencils, chromebook charger?

Free Meals Available - Pick up in Mahtomedi Nov 17

Repeated Items:

Distance Learners Materials Pick-up

Families have been notified if they have items to pick up for Quarter 2.

Pickup hours: Mon - Fri 7:30 am - 3:30 pm

Picture Retakes [Email Flyer-2020-11-18.pdf](#)

To order, visit mylifetouch.com and use picture day ID: EVTVZMGFQ

Wednesday, November 18: 1:00 pm - 4:00 pm

Thursday, November 19: 7:00 am - 9:30 am

Students who want retakes will need to bring their original picture package to return to Lifetouch.

Distance learners may come anytime on the above dates, there is no sign up required. Enter the building on the north side by the fields through Door I. Hybrid learners will take their pictures during the school day.

Yearbooks

The Sunrise 2020-2021 Yearbook is available for purchase now on [SmartSchoolK12](#) or in the main office at Sunrise. Buy it for \$20.00 now until January 22. On January 23 the price will increase to \$25.00.

Submit pictures to help make this year's yearbook the best ever. [Click here](#) upload your photos. Use access code: sunrise2020
