
ADDENDUM# 2

REQUEST FOR PROPOSAL

For the

PROVISION and LEASING GOLF CARTS

Bid # 210010

November 16, 2020

The attention of bidders submitting proposals for the above-referenced project is called to the following Addendum to the specifications. The items set forth herein, whether of omission, addition, substitution or other change, are all to be included in and form a part of the proposed Contract Documents for the work. Bidders shall acknowledge this Addendum in the bid response.

The following is in response to questions received:

Q1: Page 3- calls for a 5 year lease but runs from 1/2021-12/2026, which is 6 years. Please clarify if you want a 5 or 6 year lease.

A1: The Town would like a 5 year lease (1/2021- 12/2025).

Q2: Page 3- Are the fleet cars to be accessorized with hubcaps? USB ports? Or club covers?

A2: The Town was under the impression they were included. Please add Hubcaps, Club covers, and USB ports.

Q3: Page 8-(Taxes)-The leased golf cars will be “owned” by the finance company for the awarded vendor. Will the Town bill property tax to the finance company on the golf cars? Just trying to clear up the exact tax situation.

A3: Public Act 17-199 became effective as of October 1, 2017 exempting real and personal property on lease to municipalities used for a public purpose.

Q4: Page 3- maintenance carts- Are you looking for a heavy duty (800 lb. payload) or light duty (300 lb. payload)?

A4: The Town is looking for heavy duty.
