

SLP Top Tips For **Successful Learning At Home**

The logo for Spring Lake Park Schools is enclosed in a red rectangular border that mimics the shape of a tablet. The text "SPRING LAKE PARK SCHOOLS" is centered within the border in a grey, sans-serif font.

- 1.** Establish a routine to be ready to learn.
- 2.** Designate a quiet learning space for students where they can be productive, preferably not where they sleep.
- 3.** Make WebEx, Seesaw, Schoology and all tech resources easy to access. Write down codes/passwords for the work area.
- 4.** Take a break. Build exercise or refueling into the break.
- 5.** Use a bucket or a box to store daily learning supplies.
- 6.** Limit distractions by turning off cell phone and notifications.
- 7.** Keep iPads charged.
- 8.** Move items containing personal info or things you wouldn't want others to see **out of the camera range.**
- 9.** Complete school work during the week; not on weekends.
- 10.** Check in with the student, academically and emotionally.
- 11.** Communicate with teachers. Connect on any questions.
- 12.** Join an online study group for students to work together.
- 13.** Remind student that schedules might occasionally change, same as how we remain flexible when at school.
