Dear CSA Parents,

Participating in the arts can be one of life's most joyful experiences. Research shows that sustained involvement in the arts provides numerous intrinsic benefits. In order to have these benefits available to all children, The Community School of the Arts is offering both Zoom and On-Campus options for instruction. We understand that the face-to-face interactions that our students and teachers enjoy each and every day are better in-person than occurring remotely. However, we are utilizing our remote learning environment so that teachers and students continue to be highly engaged in a way that enables everyone to feel safe and secure.

For our on-campus learners, we will follow Corbett Prep safety protocols:

1. All students coming from dismissal or off-campus will have a temperature check before attending a CSA class.
2. CSA is offering smaller class sizes to space out children and maintain physical distancing.
3. All students and teachers in both music, dance, and musical theatre classes, will wear masks during all instruction.
 1. Any voice students or wind instruments (brass, woodwind) will be instructed from a safe distance of 6 feet or more when masks need to come off to make sounds.
4. Hands will be washed before and after all classes.
5. All equipment (pianos, keyboards, computers, etc.) will be assigned to individual students for each class. Students will only use their assignment for the duration of that class. All equipment will be disinfected after each class.
6. Dismissal and drop off for Dance and Musical Theatre classes will be in the back circle (Station 1). Dismissal and drop off for Music classes will be in front of the main office (Station 3). As a reminder, per Corbett Prep Protocol, parents are required to remain in vehicles. Teachers will be present for CSA arrival and dismissal (after 3:30) and will take temperatures as needed.
7. CSA Teachers will be responsible for picking up and dropping off children at Extended Day as needed.

The arts promote cognitive development, health benefits, positive growth in behavior and attitude, and strong, long-term connections with the arts community. We look forward to promoting your child's growth! For questions please contact csa@corbettprep.com.

Sincerely,
Michael LeBlanc and Tom McColley
