**A MESSAGE FROM CHIEF ADVANCEMENT OFFICER MIKE FADELLI '88**

Dear Serra Community,

For the past two years as Serra's Chief Advancement Officer, I have witnessed the generous support of our Serra community and its commitment to advancing the programs created to increase tuition assistance and fund educational and campus improvements. These efforts have continued to propel Serra in every arena, maintaining its reputation as one of the premiere faith-based, college preparatory schools on the Peninsula.

Last year, we continued to strengthen our partnership with our parents through our Annual Parent Pledge. Our homecoming and reunion events brought Padre alums back from all decades to reminisce and reconnect. Our second annual ThanksGIVEday fall appeal was another great success as we raised more than \$170,000 in 24 hours—a true testament to the camaraderie and support of our Padre community.

What we weren't anticipating when we created our annual advancement calendar was a global pandemic that would change the framework of all things we considered normal and traditional. We had to improvise and our consistent group of supporters, as well as new contributors, helped to increase our school's momentum.

Our campus closed just weeks before our Fund a Dream event, which we were so focused on. We were excited to build on the success of our record-breaking Fund a Dream in 2019. We were forced to change our format from a physical event to a virtual event. In true Padre spirit, our supporters came out in droves, raising \$420,000 for tuition assistance, a need that has increased significantly as a result of the pandemic.

Even in times of hardship, the Serra community continues to step up to support our students and faculty to make sure that we continue to provide our boys the best educational experience even in a distance learning environment. The community rose to the challenge to help those who needed additional tuition assistance so that they could continue to receive a Serra education. We will continue to meet the needs of the present, while also planning for a bright future at Serra High School.

To say that I am extremely proud of what the Serra community was able to do during the 2019-2020 year is an understatement. We are extremely grateful to all of our benefactors listed in our 2019-2020 annual report. We are Padre Strong and we hope that you continue to support Serra today and moving forward.

Respectfully,

Mike Fadelli '88  
Chief Advancement Officer

## RALPH HO '89

Ralph Ho '89 firmly believes in the power of investments. Not only has his professional life involved investing in successful Silicon Valley startups, but much of his personal life has been spent investing his time and money to benefit the welfare of others.

The value of Catholic service and philanthropy has been ingrained in Ho and his two older sisters and younger brother, Andrew, since they were children. His parents, Margaret and Ralph Ho, would teach their children the importance of giving back to organizations that make a difference in the community.

“My mother always instilled in us the importance of community service, either with our time or money,” Ho said. “She would say, if you don’t have the time, use your dollars to make an impact on this world.”

As an adult, Ho and his wife, Alison, give to charities that they feel will have the greatest impact on their lives as well as those in their community, including Serra High School, Peninsula Open Space District and many hospitals.

Ho’s connection to Serra is deep. He sits on the Serra Board of Regents and volunteers as a speaker every Serra Career Day. Ho also contributes to many Serra fundraisers that improve the daily lives of Serra Padres.

Ho reflects on his high school days with much regard, from the afternoon swim meets and competitive water polo matches to the pre-game rallies and engaging classroom discussions. He is grateful for the relationships he forged with his coaches and teachers and the close friendships he made at Serra, many of whom are his best friends still today.

Ho confessed that he used much of what he learned at Serra in his adult life. He draws on his steadfast values, unwavering morals and the navigation of good will for family and community. “There is so much that I have learned from high school at Serra—those years are formative to how you will grow as an adult and a professional,” Ho said.

**His immense support for Serra comes not only from his own experiences, but those of his son, Max, a senior this year. “What fascinated me the most was that I have been away from Serra for 30-plus years and as Max was going through the process, I could still see the way that a Serra student carries himself. There is a respectful, cordial nature about a Serra boy and I see this as a net-net positive for any student who attends school there.”**

The famed Serra brotherhood has a lot to do with it, according to Ho. “There is this tradition, a camaraderie and a community aspect that you take for granted when you are there; but when you go off to college, you realize how special and meaningful the relationships are.”

A lifetime learner who believes in always pushing himself to do something different, today Ho continues to invest and advise start-up companies, but he sticks firm to his belief that you can never get too comfortable or it can stifle learning and growth.

Ho and his wife Alison live in Hillsborough with their children, Max, Riley and Molly. Ho enjoys surfing, cycling and swimming when he’s not working or spending time with his close family.

## THE GADDIS FAMILY

When Andrew Gaddis '10 began his high school experience at Serra, his parents, Steve and Susan Gaddis, had no idea what a profound influence the next four years would have on their son. Coming from Charles Armstrong School with dyslexia, Andrew would connect with Gayle Rosenberg in the Academic Resource Center, where he began to thrive, raking in more than 400 service hours, graduating with a 4.2 grade point average and becoming the recipient of a four-year academic scholarship to Santa Clara University. At Santa Clara, he graduated with a degree in business management with a concentration in economics.

“Serra was a wonderful continuum for Andrew. When he attended Santa Clara, he needed no additional help. He continued to excel academically and on the sports fields, where he ran track and cross country,” Steve Gaddis said.

It was the training, motivation and collaboration that Serra provided for Andrew that helped him grow and thrive, his father added.

Andrew became a very determined and disciplined student during his years at Serra, according to his mom.

“Serra helped Andrew grow personally and reinforced the importance of faith,” Susan Gaddis said. “These are very formative years and Serra takes the time to educate the whole person and it is something we really value,” she said.

The Gaddis Family believes that support provides sustainability, and the family gives time and money to many organizations, especially in the realm of education and veteran’s groups.

**“We believe it is our responsibility to support organizations that perpetuate the good things in our society,” Steve Gaddis said. “The preparation that Serra provides young men is something we greatly support—we have seen how the strong moral values and committed teachers are such a supportive part of the program.”**

The Gaddis’ are consistent supporters of Serra, Santa Clara University’s Endowed Partners Board of Fellows, Stanford, Charles Armstrong, Tulane and many additional groups that support the efforts of first responders and veterans.

The idea that if you are fortunate, it is important to share your success with those that need support is something dear to Steve and Susan Gaddis. Both recall stories of their parents’ strong work ethic and commitment to helping others.

Steve Gaddis, president and CEO of Pacific Cheese Co., remembers when his hard-working father started the company in 1970 as a small cheese brokerage with five employees. Today, under Steve Gaddis’ leadership, Pacific Cheese has grown into one of the largest broadline cheese suppliers in the country. Still family owned and operated, son Andrew also works for the company.

Proud parents to Andrew and Ashley, a successful public relations professional working at a Seattle firm, The Gaddis’ reside in the beautiful Montréux community, located in Nevada between Reno and Lake Tahoe, where they enjoy golf, friends, family and travel.

# Endowed Scholarship Funds

Serra's Named Endowed Scholarship Funds exist to honor families and loved ones by supporting Serra's financial aid program in perpetuity. Each year, these funds accrue interest on their principal amounts, and scholarship awards are given to deserving families. This year, these funds are contributing \$350,000 toward financial aid for our Padres. We are grateful to the Serra families who have set up these funds and to the scores of alumni, parents and friends who have generously contributed to building them over the years.

# Fund a Dream Scholarship Benefit

Serra Padres are thoughtful, accomplished young men who value their Serra experience. The Fund a Dream Scholarship Benefit assures that each young man who dreams of becoming a Padre will have an opportunity to be part of Serra, regardless of his family's ability to afford tuition. While the pandemic made this year's physical event impossible, a virtual event that raised nearly \$450,000 proved that even in difficult times, our community turns out to support this incredible cause. To date, Fund a Dream has raised more than \$4.5 million for financial aid for Serra's deserving young men. Anyone interested in attending the 2021 Fund a Dream, please contact Theresa Stoye at 650.573.9935, or email [tstoye@serrahs.com](mailto:tstoye@serrahs.com).

# THANKSGIVEDAY NOVEMBER 19 WWW.SERRAHS.COM/THANKSGIVEDAY

We are nearing our third annual ThanksGIVEday and this year, more than ever, we need your support. We are targeting our fundraising to fund critical technology upgrades necessary for our teachers to engage the students at the highest level. Our focus at Serra continues to be providing a transformative experience that builds men of faith, virtue, leadership and philanthropy. Teaching our students the rewarding privilege of giving back is fundamental to their overall high school experience. As we have seen all too well in 2020, we need our future leaders to feel the responsibility to give to others in need. On our third ThanksGIVEday, we hope to have community support to celebrate Serra and offer contributions to better our programs now and in the future. A Proud Past, Powering Our Future. **Mark your calendars for November 19, our 24-hour day of giving, or plan to make a donation ahead of time to our ThanksGIVEday drive.**

# Memorial Endowment Fund

A memorial gift to Serra can help to perpetuate the values that guided a loved one's life. Gifts may also honor a person during his or her lifetime, or commemorate a significant event. Your thoughtful donation becomes a living memorial that touches the lives of our students. All those listed in our memorial book are remembered during a monthly Mass offered in the school chapel. Memorial/honorees are listed in blue, followed by the names of donors.

*(See page 44 for more information on how to make a memorial gift. )*

## Legacy Gifts

In the 2019-2020 school year, 68 Serra alumni gave the school their greatest gifts—their sons. We would like to acknowledge and thank these alumni for entrusting us to develop their sons into young men of respect, integrity, inclusion and compassion. We encourage all local alumni to give their sons what they received years ago—a Serra education.

## Serra's Memorial Endowment Fund

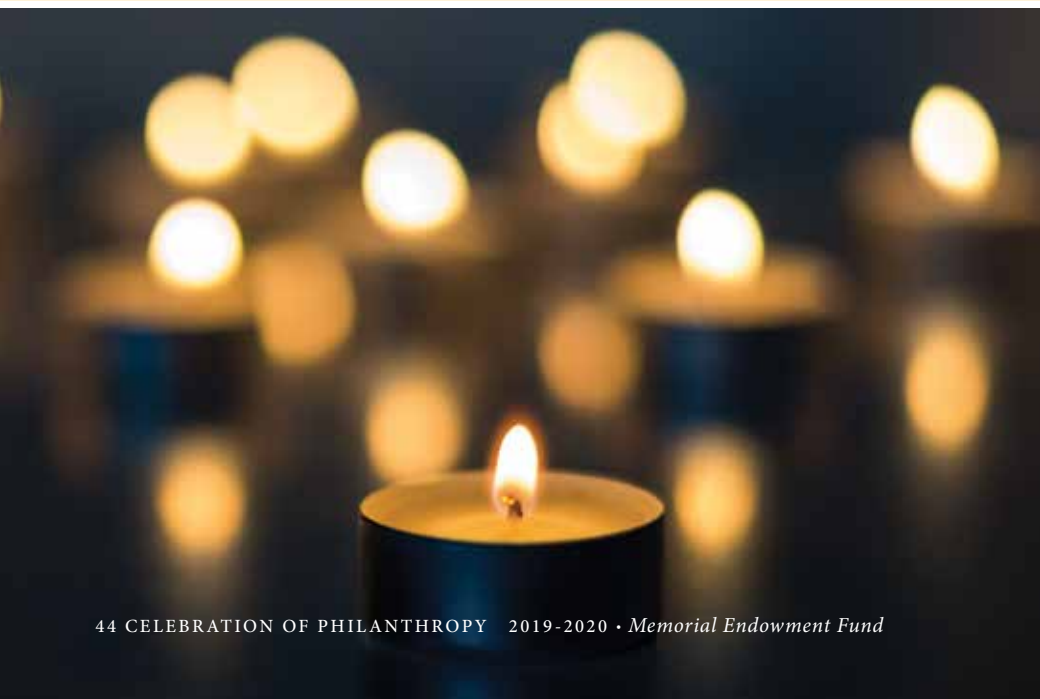

A gift to Serra's Memorial Endowment Fund can perpetuate the values and ideals that guided a loved one's life. Gifts provide a tribute in memory of a loved one's passing, or may honor a person during his/her lifetime.

When a gift is made, his or her name will be entered into the Serra memorial book. The honoree will also be remembered with an acknowledgement card sent to the family. All contributions to the memorial program help fund tuition assistance for deserving families, assuring the continuance of Serra's legacy of inclusiveness and diversity.

For more information, please email Chief Advancement Director Mike Fadelli '88 at [mfadelli@serrahs.com](mailto:mfadelli@serrahs.com).

To make a memorial gift online, log on to: [serrahs.com/memorial](http://serrahs.com/memorial).

To request a memorial booklet, so that you may make a gift by mail, please email Theresa Stoye at [tstoye@serrahs.com](mailto:tstoye@serrahs.com).

## Gary Hughes '59 Keep Swinging Foundation Directly Benefits Serra

To honor the late legendary baseball scout and Serra alumni Gary Hughes '59, the Hughes Family has created the Gary Hughes Keep Swinging Foundation, a scholarship dedicated to providing an underprivileged student an opportunity to attend Serra High School. This scholarship represents the loyalty Hughes has for his alma mater.

**“We are so grateful to the Hughes family for starting the Gary Hughes Keep Swinging Foundation,”** said Chief Advancement Officer Mike Fadelli '88. **“His deep connection to Serra High School will continue to live on through this scholarship—Gary was and always will be a true Padre!”**

Hughes passed away on September 19 after battling cancer. He spent 54 years in professional baseball after graduating from Serra in 1959 and attending San Jose State University. Hughes was a baseball coach at Marin Catholic before beginning his career in pro baseball. He was a member of the Giants, Mariners, Mets, Yankees, Expos, Marlins, Rockies, Reds, Cubs and Red Sox organizations before joining the Diamondbacks.

A larger-than-life man who loved his family, the game of baseball, and had legions of amazing friends, Hughes' connection to Serra was deep and represented so many attributes that defined him—friendship, faith, family. In the spirit of one good deed changing someone's life, a scholarship to Serra was what he wanted to bring to fruition as part of his legacy.

According to a family statement, “If you've ever left our dad a voicemail, you'd hear his upbeat recording—“I'm on the move right now . . . leave me a message and keep swinging!”

This statement somehow encapsulated Hughes' dynamic positivity, love of baseball and his 'don't give up, keep going for it' spirit.
