

**A Message from the President of the
Maine Central Institute Alumni Association**

Hello Association Members,

I am excited to inform all of you of the recent changes to YOUR Association!

By updating its bylaws and its missions and goals, YOUR Association is being brought home, campus-wide to support Alumni in our community and around the world, as well as encouraging and supporting MCI's current student body.

YOUR MCIAA will help you:

- **Reconnect** with classmates through phone calls, letters, e-mails, social media assisted by its Class Agents.
- **Rediscover** your old class spirit and friendships by attending new fun Association social events.
- **Remember** your school years, along with the legacies and traditions of MCI.

The updated Association Bylaws will be put into effect immediately, to help the Association's Executive Committee better conduct its everyday business and implement its Class Agent Program in the most effective and efficient manner possible. These bylaws will be voted on by the Association members who attend its Annual General Meeting to be held during the next MCI Reunion Weekend.

Please check the Association's Facebook page frequently for current information on Association's doings and its especially its sponsored fun social events planned for this year and next.

Remember if you have attended MCI for at least one school year, you are a member of the Association.

I and the rest of YOUR Association's Executive Committee appreciate your continued support and help and always welcome your input.

Best regards,

Milton Webber '71

Association President
