Utah State University

College Knowledge

- FAFSA – Questions about Financial Aid? Click [here](#) for more info.
- Junior College Tour – February 23rd, 2021
 - Representatives from Utah colleges, universities, and technical schools will be at NHS (virtually). It's a great opportunity to learn about admission requirements, scholarship deadlines, and other important info.
- Thinking of going out of state?
 - Western Undergraduate Exchange (WUE) allows you reduced out-of-state tuition at participating institutions on the west coast. Check it out [here](#)!
- Official Transcript Requests: [Order here](#) through Parchment.
- Want more information? Visit [our website](#) for application deadlines, Utah college and university information, & so much more!

AP & CE

Five Reasons to Take AP or CE Classes

1. Earn college credit in high school (so much cheaper!).
2. Develop knowledge & skills needed to succeed in college.
3. Increase the chance of graduating from college in 4 years instead of the typical 5 years.
4. Take classes with students who are college bound & have similar goals.
5. Stand out in the college admissions process.

Certificate of Completion: What is it?

- A certificate from Weber State University stating all General Education requirements are fulfilled. CE classes are taken at NHS (approx. 35 CE credits).
- This can be presented to any Utah college or university & General Education requirements are waived, even if they are different
 - Some private schools are excluded.
- For more information, please see your counselor or [our website](#). Plan ahead!
- More resources:
 - [WSU's Concurrent Enrollment Advising](#)
 - [WSU Certificate of Completion Info](#)
 - [Course Planning](#)

NCAA

- Students wanting to participate in a collegiate sport at the Division I or II level must meet the requirements for NCAA.
 - 16 Course Rule = taking at least 16 credits of *approved* core classes.
 - Maintain a 2.3 GPA in those classes.
 - Must submit an ACT score to the NCAA.
 - Talk with your counselor to go over requirements in detail.
- **Students and parents are responsible to ensure NCAA eligibility!**
- Click [here](#) to register with NCAA. Students are encouraged to create a profile during their junior year.

CTE Career Pathways

CTE Pathways help students focus on & prepare for a career. Completing a Career Pathway in high school can help students transition into their post-high school education or career.

Student must participate in a CTSO (Career Technical Student Organization) to receive the "Pathway Completer" recognition at graduation.

More resources & pathway requirements [here](#).

See Mrs. Davidson or Mrs. Wootton in the Counseling Center to learn more. To join a CTSO, complete an application & see advisor.

Example Pathway: Emergency Medical Services
Required Foundation courses:

- Emergency Medical Response
- Medical Anatomy & Physiology

1.0 Elective credit:

- Intro to Health Science
- Medical Terminology
- Internship: EMT at Davis Technical College

CTSO Advisors

DECA: Mr. McKnight (C102)

FBLA: Ms. Banta (C205)

FCCLA: Mrs. Lucas (C231)

HOSA: Ms. Otis (C202)

SkillsUSA: Mr. Shaw (A120)

TSA: Mr. Harris (A107)

Planning for Senior Year: College & Career

CTE

Classes that help you explore possible career pathways & build life-skills. Certifications are available & can help when you're looking for a job or further education.

Internship

Hands-on experience in the workforce. This semester long, 2 period class will allow you to explore if your dream job is right for you! Must apply [online](#) & have a 3.0 GPA with no U's.

Honors

If you're earning A's & B's in your classes, consider challenging yourself by taking an Honors level class. These classes are great preparation for AP & college-level courses.

AP Classes

These college-level courses require students to fully commit to that level of learning. You may earn college credit if you pass the exam at the end of the year.

DTC

Earn a professional certification while you're still in high school. Gain skills & credentials you need for your dream job!

CE Classes

Start building your college transcript by taking CE classes. Concurrent Enrollment classes are college courses taught at NHS (\$5 per credit hour) for a much cheaper price! These grades will permanently be on your college transcript, & withdrawing can affect future Financial Aid, so choose wisely!

Early College

You can meet your high school graduation requirements by taking college classes at WSU. For more info, click [here](#).
