

## **Tulsa Virtual Academy family update – 11/16/2020**

Happy Monday, families!

I hope you all had a great first week of quarter two. As we embark on the second quarter of our school year, I want to remind families what attendance looks like in this virtual setting. Students should be earning two required attendance touchpoints daily. They can achieve this by completing assignments in Canvas. For grades pre-K through 2nd, students may earn attendance touchpoints in Zoom and by completing assignments in ExactPath every day.

We have a great new resource available thanks to several of our community partner organizations! The Opp and Friends programming is now available to watch on RSUTV Public Television and by streaming online at <http://rsu.tv/opp>. Over 15 local organizations are offering fun and engaging hour-long videos from 4 – 5 p.m. each weekday. Visit <http://rsu.tv/opp> to stream live each afternoon and to watch previous videos from organizations like Tulsa Zoo, Global Gardens, Discovery Lab, and NASA!

Don't forget – our Student Tech Support team is able to help if you are having any issues with your Chromebook or with logging into your device. Please do not hesitate to reach out to them by calling 918-833-TECH or emailing [studentVL@tulsaschools.org](mailto:studentVL@tulsaschools.org).

Have a wonderful week and learn lots!

Best,

Gina Wilson  
School Leader
