RE: *Additional Positive COVID-19 Case Cambridge Springs Campus*

The District was informed of one (1) new positive COVID-19 case. We have contacted all individuals who are potential close contacts and properly notified the PA Department of Health.

Today, the PA Department of Health released two (2) new documents

[Secretary of Health Travel Mitigation Order](#)

[PA DoH Additional Guidance for Patients After a Known Exposure to SARS-CoV-2](#)

We encourage all individuals that are contacted by the PA DoH to follow their instructions. All families should closely monitor students for signs and symptoms of COVID-19. [Symptoms of COVID-19](#) may include fever or chills, cough, sore throat, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, or new loss of taste or smell. We strongly recommend that parents contact health care professionals if demonstrating any of the signs or symptoms outlined above. The District's response to future COVID-19 positive tests or active cases will differ based on information, potential spread, and direction from the PA DoH.
