

Oct. 22 Leonard Elementary PTO Meeting

7:00 – Virtual meeting called to order/Welcome

Dr. Detmer provided the principal report

209 in seat students and 207 virtual students – Students and staff are still navigating the @ home and in seat learning. Everyone in school is doing a great job with following the safety protocols.

Free lunch is provided through the end of this calendar year – three choices every day

Reading assessments have been completed for all children – it is the first of three assessments thought out the school year for every child.

Teacher Report

Classroom teachers wanted to acknowledge the treat bags provided at the beginning of the school year. They also offered a thank you for the extension cords with USB chargers for each classroom. They are a big help with providing additional options for charging.

PTO Board Reports:

Reviewed budget and where we stand on expenses and income to date.

The PTO is looking at passive ways for fundraising for this unique school year. The PTO already utilizes Amazon Smile, Kroger Rewards and Box Tops for Education. Looking at adding a chair for restaurant nights as a way to increase passive fundraising opportunities.

Other ideas put forth – A first aide kit sale, face masks with Logo

New Business:

The already mentioned extension cords needed to be approved by the PTO to reimburse the school fund that originally paid for them. Total cost of the extension cords was \$664.65 and motion to approve passed unanimously.

The PTO link on the school website is in process of being updated with officer information, the approved 2020-2012 budget, agenda, and minutes for PTO meetings.

Next meeting, Tuesday November 17 at 7PM

Meeting adjourned at 7:57PM
