SUBJECT: School Schedule Update

Due to increasing numbers of COVID-19 positive test results and quarantine requirements for students and staff members, we will move to full distance learning for all students at **Stonington High School** and **Stonington Middle School** effective tomorrow, November 19th through Friday, December 4th.

Both **elementary schools** will remain on the current hybrid schedule through Wednesday, November 25th. However, **all schools** will be on full distance learning the entire week after Thanksgiving, November 30th - December 4th.

Our plan is to begin the hybrid model at all schools beginning on Monday, December 7th. You will be notified if there are any changes to this plan.

If you have any questions about your student's schedule, please call your school.
