RE: *Saegertown Elementary School is closed through November 30*

Over the past few weeks, Saegertown Elementary School has experienced three (3) positive COVID-19 cases. Each of these cases indicated numerous staff members and several students as close contacts. In two (2) of the three (3) cases, we experienced school transmission and additional positive cases. We currently have 18 staff members and 53 students in varying stages of quarantine or isolation. We have concluded contract tracing and notified all potential close contacts.

Saegertown Elementary School will remain closed through the Thanksgiving break. All non-symptomatic students should return to the ABABC schedule on Tuesday, December 1, 2020. All Saegertown Elementary School students will participate in virtual learning while school is closed. The school is closed to all students, staff, athletic teams and visitors until December 1, 2020. Custodial staff will clean and disinfect the entire building over the next few days. In order to continue in person learning and the winter athletic season, it is imperative that all students, staff and families follow [CDC mitigation strategies](#). It is critical for all students and staff to stay home from school when sick or demonstrating any [symptoms of COVID-19](#).
