Dear Trent:

On behalf of the Idaho High School Activities Association's Board of Directors, the IHSAA Student Advisory Council and the IHSAA Sportsmanship Committee, I would like to take this opportunity to express my appreciation and personally say thank you to the representatives of Lakeland HS in winning the 2020 State 4A Volleyball Sportsmanship Award.

Sportsmanship is a top priority of the IHSAA, the ideals of sportsmanship permeate virtually every aspect of our culture, and the ethics of fair play may be witnessed in all facets of life. The origins of sportsmanship have been firmly established in education-based activities as a training ground for good citizenship and high behavioral standards.

We would also like to recognize Mike Divilbiss as a positive role model in your school's sportsmanship culture. The leadership at Lakeland HS was evident in the behavior of your coaches, players, school representatives and spectators at this year's tournament.

Trent, thanks again for making sportsmanship a priority at Lakeland HS. It is the positive behavior of our school leaders that help provide the participants, as well as the spectators, with a memorable experience and an example of behavior that will last a lifetime.

Sincerely,

Mike Federico
Assistant Director, IHSAA
