The Positive Climate Committee and Junior High Student Council want you to participate in spreading kindness, compliments and telling those around you that you are thankful for them. We have included little thankful cards for your teachers or compliment cards for your peers. You can print at home, fill in the card, and drop it off to one of us. We will have them available during lunches for you to complete. If you are a remote learner you can participate by emailing us what card, who it's for, your response and we will make sure it gets to that individual. Please email Miss D'Ambrosio, Mrs. Hopson, Mrs. Smith, or Mrs. VanKouwenberg if you have any questions.
