

November 2020

Report Card Distribution

Report cards will be sent home with students on Friday, November 20th along with the fall NWEA Individual Student Progress Reports in Reading and Math for grades 2-8. These items will be mailed to the parents of students who are enrolled in the remote learning program. Additionally, all families can access their child's report card this Friday afternoon using the Skyward Parent Portal. Once you are logged in, just click on the "Portfolio" tab located in the left margin to view your child's first quarter report card.

Parent/Teacher Conferences

Thank you for signing up for Parent/Teacher conferences which will be held on Monday, November 23rd and Tuesday, November 24th for all three schools. These conferences will be held virtually via Zoom and are by appointment only. Parents will be receiving a Zoom link via an automated email from the teacher's Skyward account on Thursday, November 19th. Please save this email so that you can easily access the conference during your scheduled appointment. Only parents who have an appointment should use the link at their scheduled time. In addition, the link will be posted in the message center in Skyward. We encourage parents to sign in a few minutes early so that you do not miss part of your scheduled time. It will also be helpful if you change your Zoom name to your child's name while in the waiting room. Should you not receive a Zoom link on Thursday, you can contact your child's school office on Friday during school hours.
