

# Maine School of Science and Mathematics

*A Residential Community of Academic Excellence*

## **JOB POSTING** **Long-Term Physics Substitute** January 11, 2021 – May 29, 2021

**Application Posting Date:** Tuesday, November 17, 2020  
**Application Closing Date:** Until suitable candidate is found  
**Position Start Date:** January 4, 2020 (classes resume January 11, 2020)

The Maine School of Science & Mathematics, a residential, 9-12 magnet high school, ranked No. 2 in the nation by US News and World Report in 2019, is seeking a Long-Term Physics Substitute.

### **Position Description:**

The successful candidate will be responsible for teaching one section of AP Physics C (calculus-based Physics) and one section of Advanced Topics in Physics (a class for students who have already completed AP Physics C). Both of these classes have a lab component.

**Minimum Qualifications:** A successful candidate must have previous teaching experience and a minimum of a Master's Degree in Physics or a related field.

*If you are interested in this position and meet the eligibility requirements, please complete and return the appropriate MSSM application for employment (non-teaching) <https://www.mssm.org/about/employment-opportunities> a cover letter, resume, and three letters of recommendation to email: [mssm@mssm.org](mailto:mssm@mssm.org) or fax at 207-325-3340 ATTN: Tracy Moore with Long-Term Physics Substitute in the Subject Line.*
