

Marin Academy Junior/Senior
Parking Space Request - Spring 2021

Name _____ Grade _____

If you would like to request an assigned parking space for the spring semester, complete the information below. Assigned spaces will be given to those students under the following conditions:

- 1- Students driving a minimum of two additional passengers will not be charged a parking fee.
- 2- Students driving one passenger will be charged \$250 per semester (waived 2020-21).
- 3- Students driving alone will be charged \$500 per semester (waived 2020-21).

All carpool riders must have a parent sign (or email Lynne Hansen) indicating that their student will be riding to and/or from school with the driver listed at the top of the form. Also the parent of the driver must sign the form or email Lynne. Drivers without passengers must also submit a note indicating their need to have an assigned space and the reason they do not have passengers.

Spaces will only to be assigned to students that have at least one car registered on their MyMA page. All cars driven to campus must be registered and have a current MA parking sticker on the rear bumper. Students who submit a carpool request form must drive the carpool every day. If a student parks in their assigned carpool space without the passengers that they have indicated on their request sheet, they will be subject to disciplinary action.

Please note that should county health guidelines restrict carpooling with individuals outside immediate families, a student driving alone will not be charged.
