SIP COAL #1

Change tutors to only 3 this year

k-6

\$7k Hope Squad Advisor which will help out on field and recess. That way they can interact with the kids and see what social/emotional situations that can be worked on.

Goal #2

Hired Jackie a Spanish speaking tutor for 13 hours a week.

Goal #3

Lego Lab and outside community opportunities brought into the school

Created Minecrat club to develop skills working together and learning microsoft.

Created Drama Club to help with social skills.

Both clubs were created to help students cope.

FT counselor

Goal #4

Social Emotional Learning Goal

Concerned with time on internet or parents knowing what apps children can access.

Maybe create a workshop or slideshow to show parents the latest and greatest tech that is protecting their kids while on their devices. What safety features are there? Can the computer teacher put something together and upload it for everyone? Can parents come in and get a tutorial?
