OASD Community Learning Centers November 2020: Issue 2

Introducing LSH Google Classrooms!

We miss our students so much! LSH Site Coordinator's have created Google Classrooms as a way to connect with them! Invites will be sent to their school email which will give them access to activities, videos, collaborative questions, brain breaks, mini-lessons, team talks, and even virtual meetings! Please reach out to your Site Coordinator with any questions.

UW-Oshkosh Counselors

UW-Oshkosh Counselors will be virtually working with students in small groups or individual students in a 4 week course, starting on November 18th. They will be focusing on teaching a variety of social emotional lessons. These skills are very valuable to learn and will benefit our students in all aspects of their lives.

Message from your Coordinators

Hello Everyone! We hope that you are all doing well & that you are staying safe! Please reach out to us if we can help support you in any way or if you have any questions.

This program is funded in cooperation with the Oshkosh Area School District and the Wisconsin Department of Public Instruction 21st Century Community Learning Center Grant Program.

October 29th CLC Food Truck Night

Thank you to the food truck's & everyone who attended our first CLC Food Truck Night on October 29th, 2020. Mr. & Mrs. Eggroll provided eggrolls at both locations, Rodney's Cafe was at Perry Tipler, and DD's BBQ was at Webster Stanley Elementary. They made delicious food that everyone loved! About 400 participated in this event, which is 40% of our CLC families!
