

Posts from the Admission Office - 3rd Edition

The month of November always brings to mind a most special word - gratitude. With Thanksgiving fast approaching, we hope that you will be able to take time to visit with family and friends in some way, shape or form. We wish you relaxing, peaceful opportunities to reflect on all that you are grateful for.

We have been engaging our students to reflect on acts of kindness and gratitude throughout the month with the intention that this mindset will and must continue. Our students have expressed gratitude for their family, their teachers, their friends, their pets, their safety, their good health - to name a few.

We are indeed thankful for your interest in Concord Hill and hope that we will have the chance to continue on our admission journey together in the coming months. I have included a link to provide you with an update on our Winter Schedule, as the months become colder and the COVID situation seems to want to stay with us in full force.
