Dear ROCORI Community Education participants,

On Wednesday, November 18th, 2020, the Governor of Minnesota announced Executive Order 20-99. This executive order detailed the dial back on certain activities to slow the spread of COVID-19 that is dramatically affecting Minnesota. Effective tonight, Friday, November 20, 2020 at 11:59pm, ROCORI Community Education programs will be paused for a minimum of four (4) weeks.

This temporary pause will affect all in-person ROCORI Community Education courses including:

- Adult Enrichment
- Adult Recreation
- Youth Enrichment
- Youth Recreation

We are working with our instructors on plans to hopefully transition many of our in-person programs to virtual classes. If this is an option, you will receive an email from your instructor detailing the logistics of how these virtual classes will operate.

We apologize for the inconvenience this causes. We are hopefully that this is only a four (4) week break and are anxiously awaiting the return of full in-person programming.

Thank you,

Matthew Bueckers
