Fortezza, Umilitate, e Largo Core - Courage, Humility, and Largeness of Heart

Dear Oldfields Alumnae, Parents, Grandparents, and Friends,

The 2019-2020 academic year was my first year as a member of the Oldfields community. I am grateful for the opportunity that brought me here, and I would like to thank our students, my colleagues, and the larger community for being so welcoming.

From the moment I stepped foot on campus, it very quickly became clear that there is indeed a “magic” at Oldfields. The caring environment that exists here, and has existed for more than 150 years, is unique and something to be celebrated and treasured. Even when our community needed to be physically apart last spring, there was still a special togetherness and bond felt by all. Our faculty did an exceptional job keeping our students connected and engaged with their studies and with each other.

While the pandemic unfortunately stymied many of the School’s spring traditions, I was able to experience the 100 Nights to Graduation Dinner for the Class of 2020. As special guests, three college-aged alumnae returned to speak to our soon-to-be graduates. I was so impressed by these young women. Each of them are doing wonderful things, and all of them attribute their success to the relationships formed during their time as students at Oldfields. These relationships continue to impact them today—the close friendships they maintain with their Oldfields classmates and the continued connections with faculty who still serve them as mentors and remain part of their lives. These young alumnae are a testament to how the Oldfields Experience prepares girls to be confident leaders beyond our campus.

The Oldfields Experience depends on the support of our entire community, and we are grateful for the individuals and families who care so deeply about this very special school. As we look back on the 2019-2020 fiscal year, I would like to extend sincere thanks to those listed within the following pages for your commitment and partnership.

With appreciation,

A handwritten signature in blue ink that reads 'Pamela Susi'.

THE LARGO CORE SOCIETY

Largo Core, Largeness of Heart, is the name given to the society established to honor those who have expressed their support of Oldfields School through a planned gift. Members of The *Largo Core* Society are recognized for their special commitment to ensuring a strong future for Oldfields School and for investing in the education of young women.
