LCFF Budget Overview for Parents

For the 2020-21 school year school districts must work with parents, educators, students, and the community develop a Learning Continuity and Attendance Plan (Learning Continuity Plan). The Learning Continuity Plan replaces the Local Control and Accountability Plan (LCAP) for the 2020–21 school year and provides school districts with the opportunity to describe how they are planning to provide a high-quality education, social-emotional supports, and nutrition to their students during the COVID-19 pandemic.

This chart provides a quick summary of how much Laguna Beach Unified School District plans to spend for planned actions and services in the Learning Continuity Plan for 2020-2021 and how much of the total is tied increasing or improving services for high needs students.

Laguna Beach Unified School District plans to spend \$69,214,477.00 for the 2020-2021 school year. Of that amount, \$2,666,073.00 is tied to actions/services in the Learning Continuity Plan and \$66,548,404.00 is not included in the Learning Continuity Plan. The budgeted expenditures that are not included in the Learning Continuity Plan will be used for the following:

LEAs are required to record expenditures according to the types of items purchased or services obtained. The General Fund is the chief operating fund for the Laguna Beach Unified School District and is divided into restricted and unrestricted segments. Approximately 73% of the total General Fund expenditure budget consists of salaries and benefits. In addition to these costs, the district carries out a vast array of educational support activities such as administration, transportation, nutrition services, custodial activities, health and safety, building maintenance and operation, and more. These support activities along with the related supply and operating costs do not directly influence the outcome of the actions and services identified in the Learning Continuity Plan. For this reason, they are not included in the LCP.
