

Educational Benefits

When you complete your Educational Benefits application you help to support Faribault Public Schools students!

Your application generates funds that provide...

Counselors and social workers

These critical school employees provide social and emotional support for students.

Reading and math intervention

Students receive individualized support to help raise achievement!

Instructional materials

Whether it's art supplies or an iPad, additional funds help provide every student with the materials they need to be successful.

Activity fees

Families that qualify for educational benefits will receive a reduction in the cost of participation in school sports and activities.

Please take the time to complete an **Educational Benefits application**. This will play an important role in providing services and resources for Faribault Public Schools students.
