Dear Alumni, Families and Friends,

On behalf of our students, faculty and staff, I want to extend my most sincere gratitude for your considerable investment in Boys' Latin during the 2019-2020 school year. Needless to say, it was a year of uncertainty filled with many challenges, but once again, you came through with more than 1,280 gifts to the School -- representing \$3.5M in total support. Our community's exceptional generosity allowed us to balance the School's budget with a minimum draw from the endowment. Most important, it allowed us to continue to advance our mission, instilling the values of courage, integrity and compassion in each boy, which during these troubling times is more important than ever.

Highlights of the giving year include:

- A record of \$1,258,248 in unrestricted giving to The Laker Fund
- A record total of \$1,881,850 in unrestricted and restricted gifts made to The Laker Fund
- \$1.6M in capital and endowment gifts
- A 22% increase in total giving (includes capital and endowment gifts) over last year
- A 27% participation rate among alumni --- the highest of all Baltimore schools

In the pages that follow, we recognize and honor all of the individuals who made this remarkable year possible. We are humbled once again by the spirit of philanthropy that resonates throughout our incredible community. As we enter the 2020-2021 academic year, we continue to rely on your investments in Boys' Latin to ensure that we provide boys and young men with a world-class education.

Thank you in advance for your consideration and for your past generosity and support.

Most gratefully,

A handwritten signature in black ink that reads "J. Patrick Gugerty". The signature is written in a cursive, flowing style.

Jack H. Williams Society

Cumulative gifts of \$25,000 or more to The Laker Fund entitle one membership in the *Jack H. Williams Society*. Jack Williams, a 1938 Boys' Latin alumnus, led the effort to find the property to build Boys' Latin School on the grounds where it is located today. A practicing attorney, Jack left his law firm in 1962 to become Boys' Latin's second headmaster on Lake Avenue. Donors who consistently and generously give to Boys' Latin, as Jack Williams did, become members of this society named in his honor.

REPORT OF THE LAKER FUND

The annual giving program has reached new milestones each of the past three years. This past year, Boys' Latin's Laker Fund became the third largest annual fund among independent schools in the Baltimore area -- raising over \$1.85 million. The Laker Fund is a vital part of BL's finances. Tuition alone accounts for only 80% of the cost of a BL education. Continued investment in this critical fund notably helps to support everything Boys' Latin: faculty salaries, benefits, financial aid, and all components of the student experience. Our goal is to raise \$2 million a year, for the next five years, during the pledge period of the campaign.
