Dear Parent/Carer,

Thank you for your continued support with Year 10 in these challenging times, the engagement with online learning over the last 2 weeks has been very positive, and it has been super to see most of the students back in school learning today.

Due to the current restrictions for COVID-19 we are unable to host our normal Y10 Parents Information Evening in school. In place of this Heads of English, Maths and Science have produced narrated presentations to share key information with you, these can be accessed on the school website via the following link: <https://southamcollege2017.com/2020/11/23/year-10-presentations/>

Following on from the successful split entry approach to English Language and Literature, which we have used in previous years, Year 10 are being prepared to enter for their GCSE in English Literature this academic year. This examination entry remains under review, given the ever-altering situation that the pandemic has created. We will update you if we feel that taking this GCSE in Summer 2021 is not in the best interest of your child, however we have been pleased with Year 10 progress in this course so far.

As part of their courses students may find it useful to purchase a revision guide or workbook to support and guide revision. These resources can be purchased from school at the cost shown below.
