

ESE: GENERAL EDUCATOR SUPPORTING STUDENTS WITH DISABILITIES : IDEA AND IEP OVERVIEW

Are you a general educator who supports students with disabilities in your classroom? If so, join us for this facilitated virtual professional learning session. Here are questions we will address:

- What impact has the Individuals with Disabilities Education Act (IDEA) had on students and teachers who support them?
- What is the Individual Education Plan (IEP)?
- What is my role and responsibilities in the process?

We look forward to seeing you online!
