FLEX & Tier 1 Distance Learning

With distance learning right around the corner, it is time to start thinking about what your student will be doing all day. Join our team at the FLEX & Tier 1 program at Matoska Elementary for an amazing opportunity for students to achieve academic success and have a safe environment to be supported in classwork, assignments, meetings with teachers, and social time with peers. In between schoolwork, students will have the chance to participate in enriching STEM, art, social emotional activities and recreation time in the gym. All students can join! Programming is free for children of Tier 1 Critical Workers that are 12 years old or younger. Click [here](#) to register. Email Mitch Riebow (mitchell.riebow@isd624.org) with questions. Sunday, November 22nd, is the last day to register if you want your student to start programming on Monday, November 30th.
