HAVE YOU SAVED THIS NUMBER TO YOUR PHONE YET? PLEASE DO IN CASE YOU NEED TO REPORT A POSITIVE CASE WITHIN YOUR HOUSEHOLD- 01424 563024

Thank you to all our parents who are helping to keep our children and staff safe by wearing face coverings on site. A number of parents have asked why this has been requested in an outdoor area. Whilst there is likely to be less risk where air can circulate freely, we want to take every precaution to prevent the spread of Covid-19 into our academy for as long as possible. Facemasks will not stop it, but they could slow it down. Please respect the academy staff and make sure that you are wearing a face covering on any occasion that you need to speak directly to them.

Thank you.

RUNNING LATE?

Please make sure that your child is brought safely to the office by you or another adult.

Thank you for all your support for 'Children in Need'.

We raised £ 297 which is fantastic. Hopefully you have had a chance to see some of the pictures of what we got up to on that day, which we have posted onto Facebook.

SELF-ISOLATION PERIODS

If your child, or a household member, develops Covid-19 symptoms:

- New continuous cough
- Temperature above 37.
- Sudden loss of taste or smell

**DON'T
GO OUT!**

Everyone in that household should self-isolate for 14 days and not go out for any reason. You should book a test and only if the results are negative will you be expected to return to school before the end of the 14 day isolation period. The academy will provide work for this period.

If you are entitled to free school meals and would like a weekly food hamper please contact the office for details.
