ADAPTABLE LIFE LONG LEARNERS!

5th Grade Whole Classroom Quarantine Plan

In the case of a whole classroom closure, here is the framework that will be used by the 5th grade students. Students will be required to meet with their teacher as a class via TEAMS using the schedule below.

Students on whole class quarantine will participate by:

- 1) Face to face, real time lessons via TEAMS. Students will use their device at home to join their class to receive instruction. Any worksheets that accompany this face to face lesson time can be found on Canvas.
- 2) Students will also have independent learning which may include: District videos, McGraw Hill lessons, Imagine Math, i-Ready reading, Nearpod and Studies Weekly. These will be teacher assigned.

Students have been using Canvas in class and have the competency skills to navigate this system.

Schedule for face to face, real time lessons via TEAMS on whole classroom quarantine:

Monday – Thursday (4 hours face time)

9:00 – 10:20 – Language Arts lessons (except on Library days)

12:30 – 3:15 – Math, Science and Writing rotations

Friday

Fridays will continue to be independent learning days on Canvas, Imagine Math, i-Ready, Studies Weekly or Nearpod.

Parents may contact the teacher on Friday between 10:30 – 11:00.

Teachers will work with Mrs. Egbert and other related servers to make sure that students with IEP's are getting their service times.
