ADAPTABLE LIFE LONG LEARNERS!

5th Grade Soft Closure or Whole-School Quarantine

In the case of a school-wide closure, here is the framework that will be used by the 5th grade students and teachers. Students will be required to meet with their teacher as a class via TEAMS using the schedule below.

Students will participate by:

- 1) Face to face, real time lessons via TEAMS. Students will use their device at home to join their class to receive instruction. Any worksheets that accompany this face to face lesson time can be found on Canvas.
- 2) Students will also have independent learning which may include: District videos, McGraw Hill lessons, Imagine Math, i-Ready reading, Nearpod and Studies Weekly. These will be teacher assigned.

Students have been using Canvas in class and have the competency skills to navigate this system.
