RE: *Positive COVID-19 Case* *Maplewood High School*

The District was notified this morning that a Maplewood High School student-athlete tested positive for COVID-19. We have notified all close contacts.

We encourage all individuals that are contacted by the PA DoH to follow their instructions. All families should closely monitor students for signs and symptoms of COVID-19. [Symptoms of COVID-19](#) may include fever or chills, cough, sore throat, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, or new loss of taste or smell. We strongly recommend that parents contact health care professionals if demonstrating any of the signs or symptoms outlined above. The District's response to future COVID-19 positive tests or active cases will differ based on information, potential spread, and direction from the PA DoH.
